ANDRE AGUNG PURNOMO

I was born in Semarang, 13 August 1999. Since childhood have liked technology especially programming. Starting from website to mobile programming, and I will continue to learn to achieve my goals.

EXPERIENCE

WEB DEVELOPER
PT NASMOCO SILIWANGI
Semarang Barat, Semarang

Internship, first apprenticeship when school, plenty of experience and knowledge to be had. Jobs are often obtained such as computer repair and internal website creation.

WEB DEVELOPER
PT WIDYA SOLUSI UTAMA
Semarang Utara, Semarang

The first place to work, in this place is really the first step into the real world of work. Many things I get from here. My position here is the backend developer with the Laravel framework.

WEB DEVELOPER
PT SIBA SISTEM
Semarang Tengah, Semarang

In this company, i got useful knowledge. At the beginning of my work, I came with python programming training up to odoo with a comfortable atmosphere so easy to learn.
